Glide

YouthBuild & Scholars

Building Toward Self-Sufficiency

3 unique programs:

“I use to skip, ditch, cut and do everything wrong in school, now I can truly say, ‘I enjoy going to school.’”

-Kristin

“I got distracted and focused mainly on survival, as a result my grades began to flounder...I met Chris Reyes at Glide and he hooked me up with some information about the programs. I’m just thankful for the opportunities that have presented themselves and being able to make the future I want a reality.”

– Sean

All Programs Offer:

- High School Diploma/GED
- Taught by Accredited John Muir Charter School Teachers
- Comprehensive Case Management and support
- Health Clinic and Mental Health Services

“We may not be rich and our clothes may be ragged, our shoes may talk to us from time to time, but at least we are rich with love...Now that I’m at Glide I feel more support and comfort than I ever did from my own family”- Nijm

“My goals at Glide Scholars Program are to attain all my credits, learn new ideas and the most important: GRADUATE.”

-Munee
